**Experience amazing National Parks of Arizona!**  
**The Grand Canyon** is one of Earth's greatest natural wonders and one of the most spectacular examples of arid land erosion in the world. **Sunset Crater** was born in a series of eruptions 900 years ago. **Wupatki National Monument** has rock walls of 800 year old pueblos which dot a desert landscape once home to thousands.

**Montezuma Castle National Monument** is one of the best preserved American Indian cliff dwellings in the US. We'll explore the **Oak Creek Canyon** and **Sedona** and stop in **Tlaquepaque** for a true sense of the southwest culture.

MISSION SAN XAVIER DEL BAC

Visit the **Lowell Observatory**, home of Pluto's discovery. Explore the clear skies of Northern Arizona with a night time star viewing. Spend time in **Tombstone**, **Tubac**, **Mission San Xavier del Bac**, the **Museum of Northern Arizona**, and the **Arizona Sonora Desert Museum** and learn about the culture and history of this land and its people

Discover the hidden treasures of the exciting state of Arizona. Our travels take us from Flagstaff to Tucson, rich in history and culture. The Grand Canyon and other National Monuments along the way provide limitless photo opportunities! Don't miss out on this exciting and educational journey!
