Day 1: It's off to experience southern charm in the historic city of Louisville. Dinner included this evening.

Day 2: After a delicious breakfast, we are off to Churchill Downs Racetrack for a historic guided tour and watch the morning workout of the thoroughbreds. We'll watch "The Greatest Race" to relive the experience of the Kentucky Derby. Ladies and gentlemen will prepare the perfect Derby look by creating their very own Kentucky Derby hat. Gain expertise with betting lessons for our Galaxy Races, a mock racing experience, attended by a Downs Jockey! Finally, enjoy lunch on your own and explore the Kentucky Derby Museum and gift shop! After a rest at our hotel, we enjoy a wonderful evening at the Derby Dinner Playhouse and performance by Johnny Counterfit, voice impressionist, singer and comedian.

Day 3: A visit to Louisville would not be complete without a tour of the Louisville Slugger Museum. This morning, our tour is focused on our amazing Chicago Cubs, World Series Champions! We stop at the Ali Museum where you will take a breathtaking journey through the Center's interactive exhibits to learn about Mohammed Ali. Free time is provided in the downtown area for lunch and shopping for those Kentucky only items! An area favorite, the Evan Williams Bourbon Experience, combines history and bourbon. Afterwards, we'll visit Horseshoe Casino for gambling and dinner with a \$15 food voucher and \$5 free play.

Day 4: Before bidding farewell to Louisville, a stop will be made at the American Printing for the Blind. See first hand the production of products for the visually impaired. On our way home, we'll enjoy lunch and a gondola ride, enhanced by the soft serenades of your gondolier!
